Northampton, Massachusetts

Dear Miss Silbert,

In 1948, WCSR was organized to serve the students and faculty of Smith College. This year, as always, we are striving to present better radio to our listening audience. In order to utilize effectively our time on the air, in the interests of the college, we need your co-operation.

During the coming year you will undoubtedly have many department events which will be of interest to students and faculty. WCSR would like to publicize these on the air as a service to you. We will be glad to announce any lectures, concerts, or department bulletins.

In addition to these spot announcements, we can also provide time for special lectures or other faculty programs which you might like to present.

We would be most appreciative if you would contact Ruth Wolff, Sessions House or Sandra Baron, Morris House if we can serve you in any way.

Sincerely,  
Ruth Wolff
